October 7, 2013

Dear Friends,

Morning Star Zendo is a state of mind and heart. Friends of many faiths and no faith at all come to sit together every day to practice Zen meditation and to share a compassionate way of life.

We are honored to welcome everyone, especially our benefactors, to share our space and our table for breakfast and brunch. We never require donations from our guests.

But Morning Star Zendo is also a real apartment in Jersey City with operating expenses that must be paid every month in order to keep the door open. So, once a year in the fall, we ask for financial aid from all those who wish us well and are members of our extended *sangha*.

In addition, your generosity helps us to offer some financial aid to those in need who wish to attend our various weekend and week-long *sesshin*.

As in the past, we count on your generosity to enable us to continue this good work.

Thank you for your support which cultivates this life-giving endeavor that is Morning Star Zendo.

With deep gratitude,

Robert Kennedy, S.J., *Roshi*

PS: Please send your tax deductible checks to Morning Star Zendo at the address in the letterhead, or if you prefer, open the attachment and click one of the secure **Paypal** buttons now. Again, many thanks for your generosity.
